Thanks Don!

Also, per our discussion at last week's Century Streetscape meeting, I wanted to share an LAT article with you from this morning. Mayor Garcetti addressed the LA Chamber of Commerce and again reiterated his support for reduction and eventual elimination of the gross receipts tax.

The Westchester Town Center BID Board of Directors has voted unanimously to support construction of a direct transit connection to LAX at the proposed Intermodal Transportation Facility, including an MTA station at that location, as soon as possible. This recommendation is presented in the attached letter. Please contact us as we can assist further in any way. Thank you.
